Commissioners' Report.

TO THE CITIZENS OF SULLIVAN COUNTY:—

We herewith present our report, and also the reports of the other County Officers, as required by law.

The net debt of the County has decreased \$6,081.80, leaving the net indebtedness of the County, Jan. 1, 1900, \$6,930.59.

There has been expended for repairs upon the jail barn about \$600.

The Superintendent, Matron and their assistants at the County Farm have shown the same interest in the welfare and comfort of the inmates during the past year, as in former years, and have cheerfully assisted to make their lot as happy as possible.

It is our wish that more of the citizens of the County would visit the farm and judge for themselves of the condition and care of those unfortunates who are dependent upon the county's bounty. These poor unfortunate beings have come to look forward to Christmas as the one bright spot in their lives, and to these ladies and gentlemen, who each year so kindly contribute and by their presence make at least one day in the year a bright and happy one to them, we wish to extend our sincere thanks.

WM. E. WESTGATE,	} COMMISSIONERS OF SULLIVAN COUNTY.
E. M. MEGRATH,	
L. A. PURMORT,

CORRECTION.—In the Jailer's report last year there was a charge of one dollar key fee, Ray P. Bascom. Mr. Bascom was employed to repair a door and lock at the jail, and was paid a dollar for his work. The item as printed would misrepresent a worthy young man and skilled mechanic.

REPORT OF SOLICITOR.

TO THE COMMISSIONERS OF SULLIVAN COUNTY :—

Since assuming the duties of the office, April 1, 1899, I have instituted fifty-two criminal prosecutions, arising in the towns of Plainfield, Claremont, Charlestown, Newport, Grantham, Langdon, Unity and Washington, comprising embezzlement, rape, robbery, breaking and entering, assault, selling or keeping for sale spirituous or malt liquors, search and seizure, keeping gambling house and complaints for offences against the police of towns. There have been nine indictments, two prison sentences, two sentences "mittimus to issue on call of Solicitor," and five are now on the docket with respondents recognized for next term. In conformity with the statute no fines, costs or other moneys belonging to the County have been paid to me. The County is not a party in any civil suit, and the criminal business since said April 1st has been small, and the expenses correspondingly reduced.

F. H. BROWN, Solicitor.

Claremont, Dec. 31, 1899.

REPORT OF CHAPLAIN.

TO THE COMMISSIONERS OF SULLIVAN COUNTY :—

The conditions at the County House have changed very little in the past three years. However, I think the inmates seem to be more interested in the Sunday services, as more of them are present than formerly. While many of them are careless, others seem to find life a heavy burden, and I have endeavored to encourage the living and comfort the dying as opportunity presented itself. I have been enabled to attend to the work the entire year and have been materially aided by Mr. Willard and his assistants.

Respectfully submitted,

J. P. FRYE.

REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF SULLIVAN COUNTY :—

There were thirteen deaths at the County Farm during the year, from the following diseases: Cancer, 1; paresis, 1; pneumonia, 3; scalding, 1; paralysis, 2; injury, 1; brain disease, 1; senile gangrene, 1; chronic rheumatism, 1; old age, 1. The number of births, 2. The cases of pneumonia were all old people, and recovery could not be expected in their case. All the other deaths were from incurable diseases, except the two unfortunate ones from accident; one of them an old man, who fell down stairs and injured his head so badly that he only lived a short time; the other a child, who sat down in a pail of boiling water and was so badly burned that he only lived two hours. In my opinion there is no better institution of its kind anywhere than our own Sullivan County Farm. The officers are very considerate and indulgent to the inmates, and especially so to those who are sick. The sanitary condition of the institution is good.

Respectfully submitted,

A. L. MARDEN, M. D.
